Definition of User Groups

Community - family parties and 'not for profit'/charity clubs, meetings and events

Youth - children's parties and 'not for profit'/charity children's clubs and meetings

Commercial Community - classes and workshops available for the whole community

Commercial - commercial meetings and profit-making events

York House are delighted to offer the Beechey Room for hire, providing a modern accessible ground floor space for your meeting, party or event.

The Beechey Room can be hired on its own or we offer a special 'Package Rate' when hired with the Main Hall - very useful for laying out food or having a 'quiet room' away from disco noise etc.

For larger events or for that special day you may wish to hire the whole building - rates are available on request.

We are always keen to hire the building out for charitable events and may be able to offer you a reduced rate - contact the York House Office on 01908 563361

If you wish to use the grounds please speak to the York House Office when you make your booking.
