

## To step 4 and beyond...

Government has announced that most legal restrictions to control COVID-19 will be lifted at step 4 from Monday July 19.

However they still advise that while cases are high and rising, everybody needs to continue to act carefully and remain cautious. This is why they are keeping in place key protections at step 4 from 19 July including:

- testing when you have symptoms;
- isolating when positive or when contacted by NHS Test and Trace;
- Government expects and recommends that people wear face coverings in crowded areas;
- being outside or letting fresh air in
- minimising the number, proximity and duration of social contacts.

Please follow this advice when visiting York House and continue to use our QR code.

If you are organising an event at York House Centre in the next few months then you may be interested in the latest Government advice in further detail. Please follow the link below on how to stay safe and help to prevent the spread of Coronavirus.
