

It's Marvellous May at York House!

Welcome back to our monthly newsletters! We've had some time off to get back up and running after Covid, but we are raring to go with some exciting new projects and events! Read on to find out more!

We Need Your Help!

Our annual Coffee Morning and Plant Sale is back! We'll be in the main carpark from 9am-12pm on the 4th June with the fabulous Stony in Bloom! **Can you help?** We need volunteers on the day but also we need some cakes to sell! If you can help with either please drop Hannah an email on hannah@york-house.org.uk.

Meet Our New Project!

We are absolutely delighted to have welcomed Crafting for Change into the York House family! They may have started life at Stony Stratford Library but came to York House while the Library had it's phenomenal revamp. We are absolutely delighted they have decided to stay and look forward to working with Emma and the team to grow as a craft group. Please pop along on a Tuesday between 10am and 12pm to see what they do and get involved!

Crafting for Change meeting

Free Period Products!

We want to make sure that anyone who uses York House has access to period products while in the building. We are delighted to start the ball rolling by working with the amazing Girl Pack to provide products for the young people that use York House at the Youth Club and Act Out and Act Up. You can see the great work that Girl Pack do [here](#) . We want to take this one step further and offer products to whoever needs them in the Centre, can you donate some sanitary products? If so get in touch with Hannah on hannah@york-house.org.uk.

Spotlight on Stony Harmonies!

Each month we will introduce you to one of our User Groups, this month it is Stony Harmonies who are a lovely, friendly choir led by the wonderful Lucy Bignall. They meet on a Tuesday lunchtime between 1pm- 2pm and, recognising the positive impact singing can have on our mental health, they are very much about singing for the joy of singing. You can get more information [here](#), or just pop in and see what you think, we love hearing the beautiful voices drifting up to our office!
