Meet The Team!

Who are you and what do you do at York House?

Meet The User Group!

Who are you and what do you do?

Hello! I'm Hannah O'Neill and I am the Centre Manager here at York House.

[Why York House?](#)

I really love working in the community and, having the opportunity to be involved in such an iconic community building, was a real opportunity for me. I'm excited about what we can do!

[If you could arrange for any musician to play at York House who would it be?](#)

This is a tough one! There are so many contenders from Take That, to the Kinks to Stereophonics! But I think if it was just one it would be Cat Stevens!

I'm Lucy Bignall and I am a musician and writer; a violinist and leader of three choirs

[What is your group and who is it for?](#)

My group is Stony Harmonies which is a choir for people who want to sing for the joy of it, with no judgement and to create a sense of wellbeing and personal empowerment.

[What do you love about York House?](#)

We love York House for the relaxed atmosphere, the large, light, airy rooms where we can sing and look out at the beautiful garden.

You can catch Stony Harmonies from 1pm on a Tuesday at York House

Community Larder

Don't forget our fantastic Community Larder and Community Cafe run every Tuesday between 10 and 11. You don't have to be a member of the larder to come to the cafe and get a free drink and biscuit and have a chat with new friends.

If you want to learn more about the Community Larder and the great work Sofea does to tackle food waste and support vulnerable young people you can visit Sofea's website which explains all.
